SIGNIFICANT FEATURES AND BENEFITS

This Silver Warranty policy is designed specifically to cover the cost of repairing or replacing components of your vehicle which suffer a mechanical or electrical breakdown during the period of insurance occurring within the territorial limits.

The policy covers you in the UK.

The policy also covers recovery of your vehicle, and all occupants free-of-charge to the nearest suitable repairer in the UK, in the event of a claim for mechanical or electrical breakdown.

The maximum amount you can claim under the policy is the purchase price of your vehicle; however the maximum amount payable for any one claim must not exceed £500 (Including VAT).

If you sell your vehicle to a new private owner, you may transfer the benefits of the policy subject to the terms & conditions specified.

ELIGIBILITY

You can buy a Silver Warranty provided the vehicle is specified on the certificate of insurance, you are a UK resident and the vehicle is up to 8 years old and has not exceeded 80,000 miles at the purchase date of your policy.

Certain vehicles are excluded from cover; please refer to general exclusion 17 of the policy terms & conditions.

COMPONENTS COVERED BY YOUR SILVER WARRANTY POLICY

The policy covers specific components listed in the components covered by your Silver Warranty section of the policy terms & conditions

SIGNIFICANT AND UNUSUAL EXCLUSIONS AND LIMITATIONS

- You must comply fully with the terms & conditions of the policy. Failure to do so could mean the insurer has no liability for a claim
- In the event of any claim, you must contact the Claims Administrator as soon as it is reasonably possible and must adhere to the procedure specified within the 'making a claim' section of the terms & conditions. You must take all reasonable steps to avoid further damage occurring. No liability will be accepted for any damage caused by continuing to drive your vehicle once a fault is evident
- The policy will not cover any damage or loss that can be claimed under any other insurance or warranty
- The policy is not renewable
- The policy will not cover any vehicle that has been modified or altered from manufacturer's specifications
- The policy will not cover any damage to component(s) not covered by the policy
- The policy will not cover faults attributable to a previous faulty repair
- The policy will not cover use of an incorrect grade or type of fuel or oil
- The policy will not cover faults associated with lack of routine maintenance
- The policy will not cover any liability for death, bodily injury or damage to other property or any such loss caused directly or indirectly by the claim or event giving rise to a claim under the policy

PERIOD OF INSURANCE

Cover under this Silver Warranty Policy means the period from the policy start date until the earliest of the following dates:

- a) The end of the period of cover as shown on your Warranty certificate of insurance, or;
- b) The date on which your vehicle is subject to a total loss, or;
- c) The date the accumulated valid claims cost exceeds the purchase price of the vehicle, or;
- d) The date this policy is cancelled, by either party.

CANCELLATION

You have a right to cancel cover and to receive a full refund of premium under the policy provided no claims are known or reported by giving written notice of cancellation within 14 days from the purchase date of the policy or when you receive your policy documents (whichever is the latest), to the Administrator quoting the certificate number. If you do not cancel cover within 14 days from the purchase date of the policy or when you receive your policy documents (whichever is the latest), cover will continue until its natural expiry, unless you subsequently cancel the policy.

If the policy is cancelled after the 14 day cooling off period from the purchase date of the policy or when you receive your policy documents (whichever is the latest), provided no claims are known, pending or reported, you will be entitled to a daily pro rata refund of the paid premium from the purchase date of the policy by reference to complete unexpired days less a £35.00 administration charge.

Any refund due will be calculated from the date the Administrator receives the letter of cancellation, email or phone call, whichever is the earliest date, however no refund will be issued until the Administrator has obtained written confirmation of cancellation from you.

Once the policy is cancelled you will not be entitled to make a claim under the policy as all cover will cease.

PLEASE NOTE: All cancellations are subject to a non-negotiable £35.00 administration charge, which will be deducted from any pro rata refund due.

MAKING A CLAIM

If your vehicle develops a fault, which you suspect may be covered by the policy, first contact the Claims Administrator on the number shown below.

In the event of a claim or to arrange recovery within the UK, please telephone 0330 400 1657.

You must take all reasonable steps to ensure no further damage is caused, for instance by continuing to drive Your vehicle.

Please remember no repairs should be started before an authority number has been issued by the Claims Administrator as this may prejudice your claim.

You should make sure you understand the claim procedure as failure to follow these steps may lead to you incurring unnecessary expense or inconvenience.
